## Social Distancing Layout for banquet venues

### Our Precautionary Measures

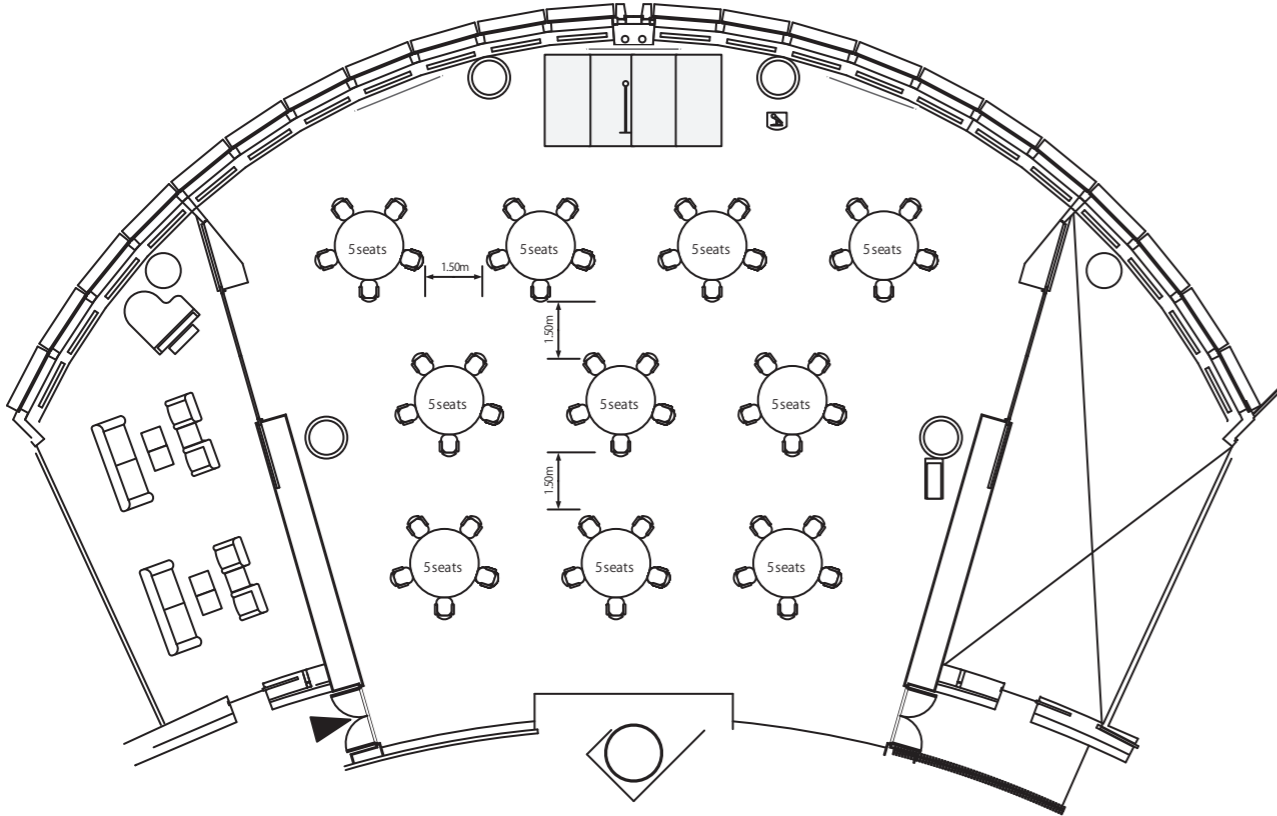

- Frequent cleaning and sanitization to maintain optimum hygiene levels.
- Alcohol-based hand sanitizers set up in the public areas.
- Recommendation of online appointments between clients and staff.
- Limitation of the number of attendees per function room to allow for safe social distancing.
- Rearranging the table layout that keeps social distancing.
- Mandatory for all service staff to wear face masks.
- Please wear a face mask and refrain from talking in the elevators.

Thank you for your understanding and cooperation.
